4. Procedure

Day -1 (March 23rd): The day before the competition, contestants will be met by judges at the competition stand. There will be a briefing on the organization of the competition and safety rules.

Due to the large number of registered contestants, the competition will be organized in two groups. Contestants from a same delegation will inevitably be placed in the same group. Each contestant will receive a schedule with the detailed working hours. Contestants will draw lots to be assigned to a work place where they may drop off their tools. The group that is not in competition will have to register to go on an organized trip.

Day 1 (March 24th): Contestants will have 3 hours to complete two modules of the task assignment.

Day 2 (March 25th): Contestants will have 2 hours to complete one module of the task assignment.
